2022 BRITISH RALLY CHAMPIONSHIP – 23.5 TYRE QUANTITIES

For the Beatson's Building Suppliers Jim Clark Rally, the overall quantity of tyres is not detailed in the event supplementary regulations.

The maximum number of tyres permitted for the Beatson's Building Suppliers Jim Clark Rally shall be **12**.

TYRE NOMINATION FORMS – FROM ROUND 2 ONWARDS

Registered competitors will shortly receive an email with instructions on how to submit tyre nominations for each championship event – there will be a QR code and a weblink within these instructions taking you to an online Google Form. You will be required to complete the barcode numbers for the tyres you intend to use for each rally before the first time control of each event.

These instructions will also be made available at pre-event eligibility checks, but it is highly recommended that registered competitors familiarise themselves with the instructions before this time.
