The BRC enters its 65<sup>th</sup> year in 2023 and it is set to be a thriller as we attend some of the biggest and toughest events the UK and Europe has to offer. The competition over the last few years has been fierce with stages, rallies and even championships being won by fractions of a second. The Malcolm Wilson Rally marks our first stop on the list of seven events as we tackle some iconic forests such as Greystoke, Grizedale and Wythop in the Lake District. I'm looking forward to catching up with new and familiar faces next weekend.

### 1. JOKERS

The following drivers have elected to play their joker card on the Malcolm Wilson Rally.

Adrian Fourmaux – Ford Fiesta Rally2  
Stephen Waugh – Ford Fiesta R2T

### 2. COMMUNICATION REMINDER

All drivers and co-drivers will have received a link on their registration form confirmation letter to both the BRC's Sportity Channel as well as the on-event WhatsApp group. Please ensure you have access to both. If you require these links to be resent, please contact the BRC Manager on [reece.tarren@motorsportuk.org](mailto:reece.tarren@motorsportuk.org).

### 3. PORTRAIT PHOTOGRAPHS OF EVERY REGISTERED DRIVER AND CO-DRIVER

Location: Driver signing on at M-Sport, W3W: blunt.rests.flick

From 15:00 – 16:00, the BRC Photographer will take individual portrait shots of each BRC registered driver and co-driver for use within the Championship TV programs and website – you will also receive access to these for your own media use. All crews must be in their race suits, helmets are not required, but can be used in photos if desired.

Your cooperation in following the instructions from our photographer and media delegate will make this process pass as quickly as possible.
